To Whom it may concern;

**Re: VERA Industrial**

To Whom It May Concern,

VERA Industrial has been our preferred Rope Access repair contractor since May 2015.

Andrew Clarke and the team at VERA have completed numerous projects and job scopes with no incidents and no first aid related incidents.

VERA has exceeded all expectations to date and we will continue to use VERA for our repair work at Pacifica.

VERA performed the following services at our building "Pacifica" in Nanaimo:

- Rope Access Work
- Rope Access Supervision of Engineers
- Extensive Concrete Repairs & Inspection via Rope Access Method's
- Concrete Forming and Finishing via Rope Access Method's
- Waterproof Membranes & Coatings
- Rope Access Painting
- Rope Access Joint Sealing
- Anchor Testing & Inspection
- Core Drilling

Feel free to contact me if you require any further information.

Yours truly,
