VERA Industrial Access Inc.

To Whom It May Concern

I am writing to you today to recommend Andrew Clarke and VERA Industrial Access Inc. (VERA)

Andrew and his team have been working with Malahat SkyWalk Corp for the last 2 years performing all of our high rope work. In a project of this scale we work with numerous trades and contractors and have never worked with a company like VERA. They have met every commitment they have made to us on time and on budget. Their safety record on our project has been impeccable.

I was so impressed with the work VERA did we continue to retain them for our ongoing maintenance work.

It is with pleasure that I recommend Andrew and his team at VERA.

If you have any questions please feel free to contact me at any time.

Regards,
